STOP COVID-19, NOT WORK

Stay Hygienic and Clean to prevent Covid-19!

- 1** Cover nose and mouth with handkerchief or tissue while coughing or sneezing

- 2** Cough or sneeze into the fold of their upper arm or shoulder if they don't have handkerchief or tissue

- 3** Avoid touching mouth, nose, and eyes

- 4** Wash hands with soap and water or sanitize them before entering the centre, before and after work

- 5** Avoid spitting in public

In case anyone show symptoms like fever, cough or difficulty in breathing, contact Ministry of Health and Family Welfare's
