STOP COVID-19, NOT WORK

Stay Hygienic and Clean to prevent Covid-19!

1 Cover nose and mouth with handkerchief or tissue while coughing or sneezing

2 Cough or sneeze into the fold of their upper arm or shoulder if they don't have handkerchief or tissue

3 Avoid touching mouth, nose, and eyes

4 Wash hands with soap and water or sanitize them before entering the centre, before and after work

5 Avoid spitting in public

In case anyone show symptoms like fever, cough or difficulty in breathing, contact Ministry of Health and Family Welfare's
