STOP COVID-19, NOT WORK

For preventing Covid-19, practice social distancing!

1 Maintain atleast 2 meter distance from each other

2 Observe social distancing, especially from persons who has fever, cough and difficulty in breathing

3 Get themselves screened and Quarantined if they have slightest signs of Covid-19

RuPay

4 Adopt cashless practices through Government platforms like RuPay

In case anyone show symptoms like fever, cough or difficulty in breathing, contact Ministry of Health and Family Welfare's
